HONORING

The Drake House

We are so excited to announce that this year, we will be partnering with The Drake House, a local charitable organization that provides a lifeline of supportive housing and enrichment programs for homeless mothers and their children in north metro Atlanta. To help us in our efforts to support The Drake House, Elite Studios families and local businesses have the opportunity to become a Benefit Sponsor in one of the 3 Sponsorship levels below.

We are so grateful for your support towards our charitable mission.
